Men (Handicap 0-28)

Ladies (Handicap 0-28)

Tournament scores are calculated using Stableford points based on the player's handicap calculated using System 36 where "handicap reduction points" for each hole are assigned accordingly to calculate the player's total number of handicap strokes for the tournament. The player's tournament handicap is calculated by subtracting the total points from 36.

Net Result	Handicap Points
Double Bogey or worse	0 point
Bogey	1 point
Par and better	2 points

Stableford Score

Players are allocated a certain number of points on a hole depending on the net score of the player.

The aim of Stableford is to accumulate highest number of points over the course of 18 holes.

Using the player's handicap calculated based on System 36, a certain number of strokes are allocated on each hole. The table of points is based on the net score of the individual player (after handicap adjustment) as follows:

Net Result	Points
Double Bogey or worse	0 point
Bogey	1 point
Par	2 points
Birdie	3 points
Eagle	4 points
Albatross	5 points

- All players must submit their respective scorecards that has been duly signed and counter signed as verification by all flight members no later than 20 minutes after the completion of play.
- A scorecard is deemed to have been submitted when the player leaves the scoring area, and no changes will be entertained thereafter.

5. TOURNAMENT ENDING IN A DRAW

In the event that two or more players finish the tournament with the same score, the winner will be determined by comparing the scores for the **last 9, 6, 3, and 1 hole(s)** in sequence. If the tie remains unresolved, the result will be decided **hole-by-hole using the player with the lower handicap**. Should the tie still persist, the winner will be **determined by drawing lots**.
