FREE 24-MONTH TYRE COVERAGE PLAN  
WITH ALL ORIGINAL BMW TYRES.

## Terms & Conditions

### 1. General Terms

- 1.1. All BMW, BMW i and BMW M owners who have purchased Original BMW Tyres and had them fitted by an Authorised BMW Service Centre in Singapore will be covered under the BMW Tyre Coverage Plan for a period of 24 months / 40,000km (whichever is earlier) from the date of purchase.
- 1.2. The BMW Tyre Coverage Plan only covers damage to the tyre tread or sidewall from road hazards such as potholes, glass, metal, nails, wood and debris.
- 1.3. The BMW Tyre Coverage Plan only allows for one single claim for each tyre within the coverage period of up to 24 months / 40,000km (whichever is earlier) from date of purchase.
- 1.4. BMW reserves the right to change the terms and conditions for the Tyre Coverage Plan from time to time without any prior notice.

### 2. Cover In The Case Of A Claim

- 2.1. In the event a claim is made during the duration of the BMW Tyre Coverage Plan as stated in the BMW Tyre Coverage certificate, and is covered under the terms outlined in paragraphs 1.1 – 1.4 above, the Authorised BMW Service Centre will provide a rebate according to the following table of tread depth of the damaged tyre\*:

Usage Period / Mileage (whichever is earlier) From date of purchase	< 3 months / 5,000km	6 months / 10,000km	9months / 15,000km	12 months / 20,000km	18 months / 30,000km	24 months / 40,000km	> 24 months / 40,000km
Rebate in %	100%	80%	60%	40%	20%	10%	0%

- 2.2. The damaged tyre will be replaced with a comparable new tyre at the prevailing list price less a rebate amount based on the remaining tread depth of the damaged tyre. On top of the rebate value, all fitment and balancing costs for the replacement tyres will be covered.
- 2.3. The rebate value above is strictly subject to the validity of the BMW Tyre Coverage Plan by Authorised BMW Service Centre.

### 3. Exclusions

- 3.1. The BMW Tyre Coverage Plan does not cover damages arising from the following: –
  - 3.1.1. Normal wear and tear of the tyre;
  - 3.1.2. Uneven wear, vibration or noise arising from or attributed to one or more tyres; and
  - 3.1.3.
