✓ **AT YOUR SERVICE 24 HOURS A DAY,
365 DAYS A YEAR.**

WHAT SHOULD YOU DO IN THE EVENT OF A BREAKDOWN?

THE MAIN ACTIONS – STEP BY STEP.

One rule always applies: keep a cool head. If you remain composed, you will make better decisions. Here is what to do if your vehicle breaks down.

Once you have contacted BMW Roadside Assistance, just relax. We will take care of everything to ensure you can continue your journey as quickly as possible.

- 1 Move your vehicle to a safe place.**
As much as possible, to a service lane, parking bay or side of the road.
 - 2 Activate the hazard lights.**
 - 3 Put on a safety vest.**
 - 4 Secure your vehicle.**
Turn on your low beam headlights and set up a warning triangle at a sufficient distance from your car.
 - 5 Call BMW Roadside Assistance: +65 6377 0085 or establish contact through the iDrive.**
 - 6 Wait in a safe place until help arrives.**
- ✓ **Our experts will help you over the phone.**
 - ✓ **On-site breakdown assistance by BMW Service Mobile.**
 - ✓ **We assist to call the police or emergency services.**
 - ✓ **Contact and provide navigation to the nearest Authorised BMW Service Centre.**
 - ✓ **If necessary: a tow-away service is organised.**
 - ✓ **Advice and arrangement of alternative travel options where necessary.**

When calling:

- ✓ **Ensure that all vehicle documents (i.e. vehicle type, registration no.) are in order.**
- ✓ **Name your exact location, cause of breakdown and/or symptoms (if possible).**
- ✓ **Leave your name and contact number.**

“HELP FINDS ME
WHEREVER I AM.”

With iDrive, the support you need is ready for you wherever you may be. It automatically relays the position of your BMW to our call centre specialists, who will then identify the cause of the defect and, where possible, remedy the fault by remote services.

“HELP IS THERE FOR ME
ON-TIME, EVERYTIME.”

BMW ROADSIDE ASSISTANCE ON THE SCENE.

KEEP MOVING.
WHATEVER HAPPENS.

BMW MOBILITY SERVICES.

As a BMW owner, you are entitled to the BMW Roadside Assistance package, which offers lifetime phone assistance and organisational support, as well as comprehensive mobility services for five years after first registration date, at no cost to you. The aim here is to always ensure seamless mobility for you and the best possible service for your BMW.

24/7 Call Centre & Organisational Support.

In most cases, our team of qualified call centre specialists, are always on standby 24 hours a day, 365 days a year, can simply advise you over the phone.

On-Site Breakdown Assistance.

In the event that help on the phone is not possible, we will arrange an immediate on-the-spot repair by a BMW Service Mobile, or by our qualified cooperation partners quickly and reliably. On-Site Breakdown Assistance is available from 6am to 11pm, daily.

Towing Services.

If it is not possible to repair the damage on-site, we cover the cost of towing the vehicle to the nearest authorised BMW Service Centre. Once a diagnosis has been established, our service team from the authorised BMW Service Centre will follow up on the repair process and keep you informed of the latest developments.

"I KEEP MOVING
ONE WAY OR
ANOTHER."

ALTERNATIVE TRAVEL ARRANGEMENTS.

We can provide organisational support for minor mishaps like a lost car key, wrong fuel, or empty tank. Customers may also request for on-site assistance in cases of vandalism, attempted theft and all customer-induced breakdowns. Incurred costs, however, will not be reimbursed in these cases.

Taxi Service/Replacement Vehicle.

If you require a taxi to continue your journey, we will cover the cost of one taxi journey, up to a maximum of S\$50. Alternatively, organisational support will be offered for the arrangement of a replacement car, the cost of which will be borne by the customer.¹

Hotel Accommodation.

Where necessary, and if the period of repair exceeds three days, we will reimburse hotel costs for all vehicle occupants, up to a maximum of four nights (hotel category up to five stars).²

In addition to the above-mentioned benefits, we also provide the following services, individually or combined, up to a maximum of S\$500 per breakdown.

Onward Travel.

If you are abroad, we will bear the expenses needed to continue your journey or return home by train or plane, up to the above maximum amount.

Vehicle Pick-Up and Recovery¹.

If the period of repair exceeds three days, we will bear the costs incurred for a vehicle pick-up or repatriation in Singapore or abroad, up to the maximum sum stated above.

¹ The availability of replacement vehicles may vary and is subject to terms and conditions.

² This only applies if the breakdown site is more than 100 km from your place of residence.

WHAT CAN I DO IN THE EVENT OF AN ACCIDENT?

BMW ACCIDENT MANAGEMENT.

When accidents occur, many things might start going through your mind. What do I need to do? In what order? Who do I call?

BMW Roadside Assistance can help you to call the police or emergency services, notify an authorised BMW Service Centre and, if necessary, organise a towing service or replacement car. However, all costs will be borne by the customer, unless otherwise mentioned.

Here is what you can do in the event of an accident.

- 1 Put on a safety vest or high visibility jacket.**
- 2 Secure the scene of the accident.**
Turn on your hazard warning lights, low beam headlights and set up a warning triangle at a sufficient distance from the scene.
- 3 Are there injured people?**
Call an ambulance: 995.
- 4 Provide first aid to anyone who is injured.**
- 5 Call BMW Roadside Assistance: +65 6377 0085 or establish contact through the iDrive.**
- 6 Look for a safe place to wait.**
Do not leave the scene of the accident.

+65 6377 0085

A SINGLE HOTLINE FOR EVERYTHING

Police, insurance, tow-away service, garage — there are many numbers you could call when an accident happens. With BMW Roadside Assistance, we will make things easier for you: **one call — and we take care of everything.**

EXCLUSIONS.

A breakdown is defined as vehicle malfunction preventing the continuation of a journey, i.e. immobilisation of a vehicle due to electrical or mechanical breakdown at home or during journeys.

All mobility services will only apply if the breakdown has not been caused by the driver (pilot error) or external factors.

Furthermore, BMW Roadside Assistance does not apply in cases of owner or third-party liability:

- Damage brought about by deliberate or negligent behaviour.
- Any damage due to participation in a criminal act or offence or as a result of being under the influence of intoxicating liquor, solvent abuse or drugs.
- Failure to adhere to regular scheduled maintenance services, technical campaigns or product recalls.
- Accident, theft or vandalism and any resulting damage.

Carrying out maintenance and repair work on your BMW in non-authorised workshops is not recommended and BMW Roadside Assistance services are excluded when loss of mobility is due to:

- Any damage attributed to the integration of parts not approved by BMW or if the vehicle has been modified in a manner not approved by the manufacturer.
- Any damage resulting from the vehicle being kept in a non-roadworthy condition or not being serviced in accordance with manufacturer recommendations.
- Any damage caused during driving events and accompanying practice sessions which involve the attainment of maximum speeds.

PAYMENT/ REFUND POLICY.

For services such as vehicle recovery or BMW Service Mobile assistance, which are covered directly by BMW Roadside Assistance, payment will be settled directly with the service providers.

In addition, reimbursement will be made for all other services agreed upon through the BMW Roadside Assistance hotline. The original invoice of the utilised services together with a copy of the repair bill and completed breakdown report will be required.

Reimbursements do not apply to:

- Expenses that would also have been incurred under normal circumstances, e.g. fuel costs, toll charges.
- Additional hotel costs such as Minibar, Pay-TV or catering.
- Any consequential losses arising directly or indirectly from the immobilisation, such as loss of incomes, cancellation costs, and failure to attend events (i.e. no compensation will be given for unused tickets).
- Any costs for services not included under BMW Roadside Assistance.
- Repair costs and expenses for replacement parts, auxiliaries and operating fluids.

"IF YOU'RE LOOKING FOR THE BEST, LOOK NO FURTHER."

BMW SERVICE AND WORKSHOP EXPERTISE.

We get it, accidents happen. Whilst it may be stressful, you have nothing to worry about as our Authorised BMW Service Centres have highly skilled technicians, cutting-edge diagnosis equipment and repair technologies to return your vehicle to its premium quality. As far as your BMW is concerned, this means a high level of value retention and a long lifetime. And for you, more driving pleasure.

In perfect shape: BMW body repairs.

Whether it's a minor bump or extensive body damage – state-of-the-art repair techniques are used to get your BMW back in shape and ensure it meets BMW crash test criteria.

For brilliant effects: BMW paintwork repairs.

Authorised BMW Service Centres use specialised equipment and technologies to ensure perfect restoration of your BMW and true brilliance on all surfaces.

Because authenticity matters: Original BMW Parts.

BMW Service experts replace damaged components using only Original BMW Parts. These are manufactured according to the most rigorous specifications, meet the highest quality and safety standards, and fits perfectly in BMW cars.

READY AROUND THE CLOCK,
