SPORTING POWER IN EVERY DETAIL.
BMW M PERFORMANCE PARTS.

BMW 1 Series. BMW 3 Series. BMW 5 Series. BMW 6 Series.
Launch of the BMW Performance Parts range with the BMW 3 Series (from 2012/2014).

BMW Performance Parts for the BMW 3 Series (from 2012/2014).

BMW Performance Parts for the BMW X5 (from 2014/2016) and the BMW X6 (from 2015/2018).

BMW M Performance Parts available, for the first time, for the BMW 3 Series 3-door and BMW 3 Series Touring.

In 2012, BMW returned to the DTM German touring car series for the first time since 1992, marking the comeback with a sensational hat-trick. Bruno Spengler took the driver’s title and BMW scored top positions in the manufacturers’ championship and the team rankings – success due, not least, to outstanding motorsport know-how.

With BMW M Performance Parts – the result of years of BMW racing expertise and developed with BMW M GmbH – you have the opportunity to get a taste of this success. Each component goes through an intense manufacturing and development process, so uncompromising sportiness is consistently realised every time – right down to the smallest detail. BMW M Performance Parts give your BMW individual racing character and, at the same time, even greater dynamics. They are the clear choice for premium quality and sporty innovation, whether it’s for aerodynamics, the chassis, the drivetrain or the cockpit. Give your BMW a breathtaking racing feel.

THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.
EMPHASISE A UNIQUELY SPORTING CHARACTER.
BMW M PERFORMANCE PARTS FOR THE BMW 1 SERIES.

For even better aerodynamic values, perfectly adapted to the BMW 1 Series. Includes air intakes, splitter and front bumper components, rear diffuser and slates for the side sills. A strong BMW M Performance Parts statement is also made by the accompanying trims for the side sills with M Performance lettering. The BMW M Sport package is a prerequisite for the BMW M Performance Aerodynamics package.

Frame and vertical slats in black. Underlines the distinctive and dynamic character of the BMW 1 Series. Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

Weight-optimised and forged. Bicolour (Orbit Grey paintwork, burnished), with four-colour M logo.

For individually sporting appeal and, together with the BMW M Performance rear spoiler, an even more powerful look. Only in conjunction with BMW M Performance rear spoiler.

For an impressively sporty sound – inside and out. Distinct, high-quality stainless steel silencer system with chromed-plated tailpipes. Available for 125i and M135i.

The BMW M Performance side stripes do more than just accentuate the contours of the BMW 1 Series. They also give the vehicle an even more dynamic and expressive appearance.

BMW M Performance Power Kits further increase the already impressive performance of your BMW 1 Series thanks to perfectly matched software and hardware components. Peak engine torque varies according to the selected gear. The performance increase, brought about through engine data modifications, introduces new thermal challenges. This is why, as well as a new control unit that processes the data, there is a larger intercooler. And unlike other packages, the Original BMW M Performance Power Kit will not affect the BMW warranty. Available for the BMW M Performance Power Kit also includes the M Performance logo for the side sills.

3 BMW M Performance chassis

Distinctive driving experience in your BMW 1 Series. With this system, the shock absorbers, wishbones and stabilisers have all been extensively tested and then subjected to motorsport criteria. The result: agility that will never fail to amaze.

4 BMW M Performance exhaust pipe

Stainless steel. Chrome trim for an appropriately sporty finish. With M logo. For 116d, 118d and 125d.

5 BMW M Performance Black Line rear lights

Brilliant aesthetics through the combination of dark red and black. These lights give the rear of the car even more expression character and a distinctive appearance. A perfect fit when it comes to design and the electrical system. Vehicles with halogen headlights will have the rear lights changed to LEDs.
A motor sport feel thanks to integrated race computer and dynamic BMW M Performance design. Display features the latest OLED technology, gearshift indicator and M Performance penics, Sport and Race modes. Open-pore carbon and Alcantara steering wheel offer excellent grip in even extreme driving situations and is flattened at the bottom.

Open-pore carbon-fibre combined with Alcantara, with M Performance branding. Stainless steel pedal covers. The optional M Performance footrest features precise workmanship and a purist, technical look.

Open-pore carbon-fibre is again combined with Alcantara. The result is a more and even more direct gear change feel. With M Performance branding in the gearshift graphics.

Alcantara-covered for exceptional grip in even extreme driving situations. Flattened at the bottom and open-pore carbon trim. Exclusive carbon trim for authentic motor sport feel. Painted and polished to a deep, high gloss.

Exhaustive carbon trim for authentic motor sport feel. Painted and polished to a deep, high gloss.

Stainless steel pedal covers. The optional M Performance footrest features precise workmanship and a purist, technical look.

BMW M Performance Parts for the BMW 1 Series
THE ESSENCE OF ATHLETIC POWER.

BMW M PERFORMANCE PARTS FOR THE BMW 3 SERIES.

1. BMW M Performance Aerodynamics package
   For even better aerodynamic values, perfectly adapted to the BMW 3 Series. Includes front bumper components including splitter, rear spoiler and diffuser as well as side skirts. A strong BMW M Performance Parts statement is also made by the accompanying trim for the side sills with M Performance coating. The BMW M Sport package is a prerequisite for the BMW M Performance Aerodynamics package.

2. BMW M Performance front grille, black
   Frame and vertical slats in black. Underlines the distinctive and dynamic character of the BMW 3 Series.

3. BMW M Performance top stripes
   Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black or in white.

4. BMW M Performance carbon wing mirror caps
   Carefully hand-crafted. Sporty design adapted to the BMW 3 Series with a high-tech feel.

5. BMW M Performance 10" brake system
   Four-piston aluminium caliper on the front axle, two-piston aluminium caliper on the rear axle. Available in M Performance Red, M Performance Yellow and M Performance Orange. With coloured M logos.

6. BMW M Performance chassis
   With the M Performance chassis, your BMW 3 Series experience becomes even more unique. The shock absorbers, wishbones and stabilisers have been extensively tested and coordinated using strict motorsport criteria. The result is even more dynamic driving that will amaze on every straight and every corner.

7. BMW M Performance light alloy wheels
   Double-spoke 460 M Weight-optimised and stripped. Bicolour (Jet Black polished, high-sheen on visible sides), with four-colour M logo.

8. BMW M Performance Parts for the BMW 3 Series

   BMW M Performance top stripes
For a powerful, sporty look. Available in two versions. Either in high-quality black plastic or as BMW M Performance carbon rear spoiler (pic 2). This beautiful, carefully hand-crafted from 0 per cent carbon, weight-optimised and flex maximum stability.

1. BMW M Performance side stripes

Further accentuating the powerful contours of the BMW 3 Series. They also give the vehicle an even more athletic and expressive appearance.

2. BMW M Performance rear spoiler

Stainless in chrome

Available in chrome, black plastic or BMW M Performance carbon. The latter is carefully hand-crafted from 100 per cent carbon, weight-optimised and flex maximum stability.

3. BMW M Performance side stripes

Further accentuating the powerful contours of the BMW 3 Series. They also give the vehicle an even more athletic and expressive appearance.

4. BMW M Performance exhaust pipe

For an impressively sporty sound – inside and out. Distinct, high-quality stainless steel exhaust system with chrome-plated tailpipes. Available for 320i and 325i.

5. BMW M Performance stripes, front and rear

Featuring the three typical M colours, the stripes add powerful athleticism and extra motor sport character to the BMW 3 Series. The high-quality transfers are perfectly matched to the car’s design.
BMW M Performance Parts for the BMW 3 Series

BMW M Performance Power Kits further increase the already impressive performance of your BMW 3 Series thanks to perfectly matched software and hardware components. Peak engine torque varies according to the selected gear. Optimised components include the engine control unit, intercooler and air intake duct, depending on engine type. And unlike other packages, the Original BMW M Performance Power Kit will not affect the BMW warranty. Available for 330i, 330d and 335i (F30/F31), BMW Power Kits for the 330i feature an upgraded front axle with larger, perforated and grooved brake disks. M Performance lettering for the side sills is included.

**Alcantara and upholstery cleaner**

With this product, you can optimise cleaning performance, too. The foam cleaner removes stubborn dirt and protects material. A special active ingredient also freshens up colours and permanently removes unpleasant odours. Suitable for cleaning both Alcantara and upholstery as well as carpet and roofliner.

4. Use in adherence to applicable traffic regulations.
AN UNCOMPROMISING PASSION FOR RACING. BMW M PERFORMANCE PARTS.

BMW M3. BMW X5 M AND BMW X6 M.
PURE MOTORSPORT CHARACTER.  
IT’S IN THE BLOOD.

The history of BMW motorsport is shaped by great racing cars. In 1929, the 315 took the first victory for BMW at the prestigious Alpine Rally, completing every one of the five daily stages from Munich to Lake Como in record time. In the following decades, legendary racing cars including the BMW 328, BMW 3.0 CSL, BMW M1 and the BMW M3 defended their places among the motorsport elite, celebrating countless victories and major titles. Among them, the first overall victory in the history of the DTM German touring car series in 1991, a WTCC hat-trick from 2010 to 2011 and the spectacular 2011 victory at the Nürburgring 24 Hours race. And in 2012, when BMW returned to the DTM for the first time since 1992, the occasion was marked with yet another hat-trick, Bruno Spengler took the driver’s title and BMW scored top positions in the manufacturers’ championship and the team rankings.

The power of M, evidently, continues apace in the world of motor racing. As the driver of a BMW M model, you know exactly what that means when it comes to total performance and maximum sportiness. There is also, of course, uncompromising practicality. All features embodied by BMW M Performance Parts.
FOR HIGH-PERFORMANCE ATHLETES.

BMW M PERFORMANCE PARTS FOR THE BMW M3.

1. BMW M Performance carbon wing mirror caps
   Pur high-tech and strikingly individual. Carefully hand-crafted from 100 per cent carbon, ultra-lightweight and perfectly matched.

2. BMW M Performance carbon front splitter
   Extremely aerodynamic design and very powerful look with carbon providing sporty emphasis. And, as you would expect, hand-crafted.

3. BMW M Performance side stripes
   For an even more muscular race-car look. The design of the BMW M Performance side stripes is perfectly adapted to the design of your BMW M3. These optical features send a clear message at first sight – this is M.

4. BMW M Performance carbon rear spoiler
   The high-quality transfers are perfectly matched to the car’s design.

5. BMW M Performance exhaust system
   Bespoke BMW M3 exhaust system featuring two dual tailpipes with sophisticated high-tech design. The result: a powerful sound performance, high-temperature resistance and over 99 per cent less weight.

6. BMW M Performance carbon interior trim
   In 100 per cent carbon, the lightweight interior material. With an unrivalled three-dimensional appearance, a shine that results from six to seven layers of varnish and precise hand-craftedsmanship.

7. BMW M Performance Alcantara steering wheel
   Racing, up close. Optimum grip – even in extreme driving situations – thanks to Alcantara covering the entire steering wheel rim. Striking three-colour BMW M stitching and leather BMW M marker at the 12 o’clock position.

8. BMW M Performance carbon rear spoiler
   Perfectly adapted to the design of your BMW M3.

9. BMW M Performance light alloy wheels
   Y-spoke 391 M.

10. BMW M Performance interior trim
    In high-quality aluminium.

11. BMW M Performance exhaust system
    Two dual tailpipes with sophisticated high-tech design.

12. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.

13. BMW M Performance carbon interior trim
    In high-quality aluminium.

14. BMW M Performance exhaust system
    With Inconel®® and titanium, as used in motorsport, the system features two dual tailpipes with sophisticated high-tech design. The result: a powerful sound performance, high-temperature resistance, and over 99 per cent less weight.

15. BMW M Performance carbon rear spoiler
    The high-quality transfers are perfectly matched to the car’s design.

16. BMW M Performance exhaust system
    In 100 per cent carbon, the lightweight interior material. With an unrivalled three-dimensional appearance, a shine that results from six to seven layers of varnish and precise hand-craftedsmanship.

17. BMW M Performance Alcantara steering wheel
    Racing, up close. Optimum grip – even in extreme driving situations – thanks to Alcantara covering the entire steering wheel rim. Striking three-colour BMW M stitching and leather BMW M marker at the 12 o’clock position.

18. BMW M Performance carbon interior trim
    In high-quality aluminium.

19. BMW M Performance exhaust system
    Two dual tailpipes with sophisticated high-tech design.

20. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.

21. BMW M Performance carbon interior trim
    In high-quality aluminium.

22. BMW M Performance exhaust system
    With Inconel®® and titanium, as used in motorsport, the system features two dual tailpipes with sophisticated high-tech design. The result: a powerful sound performance, high-temperature resistance, and over 99 per cent less weight.

23. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.

24. BMW M Performance carbon interior trim
    In high-quality aluminium.

25. BMW M Performance exhaust system
    Two dual tailpipes with sophisticated high-tech design.

26. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.

27. BMW M Performance carbon interior trim
    In high-quality aluminium.

28. BMW M Performance exhaust system
    With Inconel®® and titanium, as used in motorsport, the system features two dual tailpipes with sophisticated high-tech design. The result: a powerful sound performance, high-temperature resistance, and over 99 per cent less weight.

29. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.

30. BMW M Performance carbon interior trim
    In high-quality aluminium.

31. BMW M Performance exhaust system
    Two dual tailpipes with sophisticated high-tech design.

32. BMW M Performance carbon side stripes
    In 100 per cent carbon, the lightweight motorsport material.
INSPired by a Passion for Racing.

BMW M Performance Parts for the BMW X5 M and the BMW X6 M.

1. Rear fins
   The perfect demonstration of individual sportiness. The rear fins are available only for the BMW X5 M and are perfectly adapted to its lines.

2. BMW M Performance carbon rear spoiler
   Premium quality combines with a sporting touch. The BMW M Performance carbon rear spoiler, available on the BMW X5 M, is hand-crafted and blends seamlessly with the vehicle design. Airflow remains, lift values on the rear axle are reduced.

3. BMW M Performance side stripes
   Dynamic symbols of the passion for racing. The geometry of the BMW M Performance side stripes is perfectly adapted to the design of each vehicle. Whether it’s the BMW X5 M or the BMW X6 M, the three typical M colours are unmistakable symbols of the M philosophy.

4. BMW M Performance side skirts
   A striking and distinctive highlight on both sides. With the paintwork in body colour and the corresponding components in Ferric Grey, the side skirts add a unique touch. Lightweight with high stability and an excellent fit.

5. Double-spoke 218 M
   Bicolour (Ferric Grey & Burnished). Weight-optimised with four-colour M logo. Hand-crafted, with an exceptional, high-tech appearance – and unparalleled aerodynamic flair.

6. Front grille, black
   The expression of concentrated power and sportiness, with frames and surrounds in black.

7. BMW M Performance Alcantara steering wheel
   Racing, up close. Optimum grip – even in extreme driving situations – thanks to the fully-covered Alcantara covering wheel rim. Distinctive three-colour BMW stitching and BMW M leather marker at the 12 o’clock position. Perfectly suited to your BMW X5 M or BMW X6 M.

8. Aluminium pedal covers
   Even the footwell gleams with its purist motorsport look and functionality. Manufactured from high-quality aluminium, including stressed, integrated rubber covers. The perfect complement to the aluminium design elements.
Further information on the BMW M Performance product line can be found in the Accessories section of the BMW website.

**Alcantara and upholstery cleaner**

With this product, you can optimise cleaning performance, too. The foam cleaner removes stubborn dirt and protects material. A special active ingredient also freshens up colours and permanently removes unpleasant odours. Suitable for cleaning both Alcantara and upholstery as well as carpet and roofliner.
