THE BMW 6 SERIES.
ORIGINAL BMW ACCESSORIES.

JOY ALLOWS ENDLESS POSSIBILITIES.
BREATHTAKING MOMENTS – EVERY DAY.

The BMW 6 Series Convertible, the BMW 6 Series Coupé, the BMW 6 Series Gran Coupé – each the embodiment of timeless aesthetics that fascinate a new every day. Every BMW 6 Series is the epitome of exclusive elegance and pure dynamism where sporty, flowing design combines with high quality interiors and the efficient, powerful performance that defines BMW driving pleasure.

Original BMW Accessories now allow you to make the experience better still with a wealth of options for customising your BMW 6 Series. There is also an extensive range of optional extras from the factory. With Original BMW Accessories, you can fulfil your personal wishes for the exterior, the interior, for communication and information or with transport and luggage solutions. Create an even more stunning look and breathtaking exclusivity – with your own unique statement.
IRRESISTIBLE FROM EVERY POINT OF VIEW.
ORiGInAL BMW EXTERiOR ACCESSORIES.

Recommended tyres
When buying new tyres, we recommend that you choose those marked with the five-pointed star on the sidewalls. Extensively tested by BMW and tailored to your BMW model, they ensure an unforgettable driving experience. Your BMW Service partner will be happy to advise you.

Car cover
With its aerodynamic looks, the car cover underlines the sporty styling of your BMW 6 Series and fits the car perfectly. It protects against dirt, dust, water and scratches. It can be used indoors and outdoors. Machine-washable up to 40°C.

Snow chains
Designed for use with BMW tyres, they are easy to fit and offer optimum grip on snow and ice.
BMW M PERFORMANCE ACCESSORIES FOR THE BMW 6 SERIES.

Here’s a selection of high-tech aerodynamics, chassis, drivetrain and cockpit components that give your BMW 6 Series even more powerful dynamics and sportiness. Powered by M.

1. BMW M Performance carbon wing mirror caps. Carved from carbon fibre, they perfectly enhance the BMW 6 Series with a high-tech feel.
2. BMW M Performance exhaust system. For an impressively sporty sound – inside and out. An exceptionally high quality stainless steel exhaust system featuring two chrome-plated tailpipes. Includes M logo.
3. LED headlights. For detailed information about the entire BMW M Performance Accessories range, visit the BMW website.
4. BMW M Performance carbon gear selector trim for sport automatic. A sporty look with fascinating depth thanks to multi-layered lacquering to the carbon.

1. Wheel locks (not pictured). Wheel bolts can only be removed using the special tool supplied.
2. Holographic metal inlays. Operation via the vehicle key.
3. LED headlights in the BMW 6 Series provide even stronger and more even illumination of the road for significantly improved night vision. Reflective objects are also seen in sharper contrast so they can be detected sooner.
4. BMW M Performance Alcantara-covered steering wheel. Alcántara-covered for optimum grip and flattened at the bottom.

Availability dependent on engine type.
AESTHETICS AND EXCLUSIVITY IN EVERY DETAIL.
ORIGINAL BMW INTERIOR ACCESSORIES.

1-4 Travel & Comfort system
This modular system is designed around a base attachment for the headrest bars. A cup holder, folding table or universal hook can then be fitted to this. The coat hanger allows clothes to be transported without creasing. It can also be detached from the mounting and used to carry clothes outside the vehicle (pic. 3). The folding table gives passengers in the rear a convenient surface to hang light shopping bags, suitcases and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

5 M Sport package, interior
The M door sill finisher and the M footrest underline the sporty look of the BMW 6 Series.

6 Backrest bag, black
A multi-option companion. The backrest bag can be filled with small items prior to setting off and easily attaches to the rear of the driver’s or front passenger’s seat. It can be folded, is easy to carry and comes in hard-wearing, easy-to-clean material. Also available in a beige and red colour option.

7 Coolbag
CFC-free electric cooler which chills its contents to approx. 20°C below the temperature inside the vehicle. Capacity: 14 litres.

LED interior lighting package (not pictured)
Daylight-white lights create a modern ambience as well as pleasant room brightness. The LED modules can be run directly from existing sockets and are suitable for a variety of interior lighting. They offer both a very long life and extremely low energy consumption.
1 All-weather floor mats
2-4 Floor mats, velour
3 Anthracite and Oyster. Available with or without heel pads.
5 LED torch, rechargeable

For detailed information about the full range of components for the interior of your BMW 6 Series, visit the Accessories section of the BMW website.

- Protects the upholstery on the back of the two front seats from dirt and damage.

**BMW baby seat II+, with/without ISOFIX**

Designed for children weighing between 3 and 13 kg (age up to around 36 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the rigid frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

**BMW junior seat III-IV**

Suitable for children weighing 9 to 18 kg (age approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand and the seat offers outstanding lateral protection. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys and the removable cover is machine-washable. Various colour schemes.

**BMW junior seat II-III**

Suitable for children weighing 9 to 22 kg (age approx. 3 to 6 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand and the seat offers outstanding lateral protection. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys and the removable cover is machine-washable. Various colour schemes.

**BMW Baby Seat II+, with/without ISOFIX**

Designed for children weighing between 3 and 13 kg (age up to around 36 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the rigid frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

**BMW accessory**

For detailed information about the full range of components for the interior of your BMW 6 Series, visit the Accessories section of the BMW website.

This pocket-sized torch can be connected to the 12V socket for charging.

- Suitable for children weighing 9 to 18 kg (age approx. 3 to 6 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. Available in various colour schemes.

- Protects the upholstery on the back of the two front seats from dirt and damage.

**For detailed information about the full range of components for the interior of your BMW 6 Series, visit the Accessories section of the BMW website.**
CUTTING-EDGE ENTERTAINMENT AND HIGH-TECH ON BOARD.
ORIGINAL BMW COMMUNICATION & INFORMATION ACCESSORIES.

1. 3. 4. Apple iPad holder
In combination with the BMW Car Hotspot, this device allows passengers at the rear to make full use of all the functions of the iPad. The holder, which can be securely mounted on the base attachment of the Travel & Comfort system, is released and locked at the touch of a button. The position of the device can be adjusted for maximum comfort and ease of use whether you are reading, watching videos or sending emails. And thanks to an integrated stand, the holder can also be used outside the vehicle.

2.+ 5. BMW Car Hotspot
Need to check your bank balance on the move or look something up on Wikipedia? This BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various devices including an iPad, laptop and games consoles can all access a wireless internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot or a mobile phone with a SIM access profile. The BMW Car Hotspot is fitted into the central armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status; international roaming can be switched off by the user. A roof aerial ensures optimum signal reception and minimizes radiation in the interior. A BMW Car Hotspot for the upcoming LTE mobile communications standard is in development.
1 Snap-in adapter
An extra-secure docking system for current Nokia, Motorola and Sony Ericsson mobiles, and IBM Blackberry® and Apple iPhone devices. With the telephone-specific, quick-change snap-in adapter, a phone can be charged in conjunction with the mobile phone preparation with Bluetooth interface. Optimal network connection is ensured by the vehicle’s external antenna of the vehicle.

2+3 Snap-in media adapter
Screw and cable locking system for Apple iPhone 3G/3GS and 3G with specific mounting for every car model. Optimum network reception is ensured by the vehicle’s external antenna. An integrated USB/audio interface enables convenient connection of music and video files in the mobile phone without the need for an additional cable. With Cover Art, the album cover related to the music track (audio file) being played is shown in the vehicle display. This allows you to easily identify the artist or album as you listen. The system is also suitable for using Apple applications. Additionally, separately available snap-in music adapter allows music files in a mobile to be played through the car’s audio system without an adapter cable.

4 Rear View camera
Clearly shows the areas behind the vehicle on the Control Display. Interactive lane lines are shown, for example, so the driver can check if a parking spot is big enough. The Rear View camera is switched on automatically when reverse gear is selected (only in conjunction with Park Distance Control).

5 USB charging adapter
Allows mobile devices with a USB port to be charged via the car’s cigarette lighter.

6 Adapter for Apple iPod/iPhone
Adapter for connecting your Apple iPod or iPhone to the vehicle’s audio system. Two versions available. With gold-plated 3.5 mm jack plug. Two lengths available.

7 DVD changer
Six-disc, supports multimedia audio DVDs, MP3-compatible. In conjunction with TV or navigation system Professional with additional video function.

8-9 Digital roadmaps
Up to 15 percent of the road network changes every year – but with the latest digital street maps you are always in the picture and the navigation system can quickly determine the most appropriate route. Depending on the country version, they feature integrated congestion warning and the RDS/TMC (Traffic Message Channel) functions. The digital maps are available according to model as an annual update, including certificate, on DVD or USB stick.

10 AUX connector cable (introduced) With gold-plated 3.5 mm jack plug. Two lengths available.
NEW FREEDOM OF MOVEMENT.
ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.

1-4 Rear rack system, click-on

This modern design meets the highest safety standards and is tested according to strict BMW quality criteria. Thanks to the innovative click-on-function, either of two components can be quickly and easily assembled.

The first choice is the rear bike carrier. This allows the transportation of up to two bikes (also e-bikes) while an optional ramp makes loading easier. The bike carrier can be lowered to allow the tailgate to be opened and both the carrier and bikes are secured against theft. Additionally, there is the option to fit a tow bar also achieved in a few simple steps with the click-on system. Maximum towing capacity: 1300 kg.
1. Dog safety harness
Available in a choice of three sizes, the harness is designed to secure dogs on the rear seat bench, thereby enhancing the safety of passengers. The slight lead can also be attached to the harness.

2. Ski bag
For simple storage of skis. Can be loaded from the luggage compartment through an opening in the central rear upright. The ski bag can be stored behind the centre armrest in the rear to save space and keep it out of sight when not needed.

3. Driver utility set
For your home or journey. Includes selected tools with the BMW logo, such as bit-holder with chromed blade and 16-piece bit set. Also includes: pocket knife, pocket lamp and nylon gloves. In a robust nylon wallet with embossed BMW logo.

4. Powder fire extinguisher
Ready to use under the seat.

5. Luggage compartment net
Secures a variety of items quickly and safely. Attaches to existing eyelets.

6. Multifunction fitted luggage compartment net with collapsible box
A visually appealing luggage compartment solution that contains a non-slip, acid-resistant fitted mat with a loading sill protector. The waterproof collapsible box has a strap to hold items like bottles firmly in place. The collapsible box closely slots into the fitted mat to prevent it from sliding around.

7. Luggage compartment tie-down straps
For rear-resistant tie-down straps to secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

For detailed information about the entire range of Transportation & Luggage solutions, see the BMW website.
Connecting the joy of driving with sustainability is a guiding principle for BMW. Our Natural Care products are a clear response to this aspiration. An environmentally sound and sustainable approach is adopted at every step – from the selection of raw materials and energy-efficient manufacturing through to safe application and recycling of the packaging. The products are predominantly made from natural raw materials, such as terpenes and bio-alcohol from sugar beet, as well as canauba wax and linseed oil. Along with their eco-friendly attributes, the dermatologically tested Natural Care products also offer efficient and powerful action.

Learn more about the range of Natural Care products and other Original BMW Care Products on the BMW website.
