THE BMW X1.
ORIGINAL BMW ACCESSORIES.

JOY ALLOWS ENDLESS POSSIBILITIES.
LIVE LIFE TO THE FULL.

The world is full of extraordinary experiences and inspirational places. The BMW X1, with its exceptional versatility and dynamic power, allows you to reach out and discover them – whenever you choose.

What’s more, thanks to the innovative ideas and exciting functionality of Original BMW Accessories, along with a wide range of options from the factory, your BMW X1 can become an even greater all-round performer. And that means your imagination can run completely free. With Original BMW Accessories, you can fulfil your own, uniquely personal wishes for the exterior and interior, for communication and information or for transport and luggage solutions. Embrace every possibility to live life to the full in your BMW X1.
Emphasises the sporty character of the BMW X1 for an even more dynamic look. Perfectly matched in design and functionality, the M Aerodynamics package includes front and rear bumper covers, air ducts and sill covers. X-Line (see cover) bumper and side skirt panels reinforce the strikingly sporty profile of the BMW X1. Available in matt Silver. Front grille, black. Suriround and kidney slats in black. Underscores the dynamic character of the BMW X1.

2. X-Line (see cover) Bumper and side skirt panels reinforce the strikingly sporty profile of the BMW X1. Available in matt Silver.
3. Front grille, black. Suriround and kidney slats in black. Underscores the dynamic character of the BMW X1.
4. 16" light-alloy wheels Double-spoke 465 Cast.
5. 16" light-alloy wheels X-Spoke 311, chrome. Also available in Silver.
7. Mud flaps Protect your car and the vehicle behind you against dirt and loose chippings. Available for front and rear wheels.
8. 16" light-alloy wheels Honeycomb styling 322 Cost: Bumfield rims.
9. Black Line rear lights For an even more expressive rear profile. Indicators feature clear crystal-look lenses and diadem® chrome bulbs. Rear and brake light sections in dark red.
10. Snow chains Designed for use with BMW tyres, they are easy to fit and offer optimum grip on snow and ice.
11. Car cover outdoor (not pictured) Washable, easy to put on and take off and tailored precisely to the BMW X1. In a silver colour, it also features dirt and water-resistant material. Available for the windscreen and front side windows or for the whole vehicle. With ventilation openings and BMW logo.

INNER QUALITY FOR THE WORLD TO SEE.

ORIGINAL BMW EXTERIOR ACCESSORIES.
CREATE YOUR OWN ATMOSPHERE.
ORIGINAL BMW INTERIOR ACCESSORIES.

1 - 4 Travel & Comfort system
This modular system is designed around a base attachment for the headrest bars. A coat-hanger, folding table, universal hook or Apple iPad holder (see p. 2) can then be fitted. The coat-hanger allows clothes to be transported without creasing, it can also be detached from the mounting and used to carry clothes outside the vehicle (pic. 4). The folding table gives passengers in the rear a convenient surface to put things on and is tilt and height adjustable. It also includes a foldout cupholder with a stylish chrome ring. The universal hook offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

Twice as functional, twice as easy. Simply attach to the sunshade and it’s done. CDs or DVDs can be stored on the inside, a pair of glasses on the outside. Two further variants available, with either beige or red detailing.

Key case (not illustrated)
Tailor-made and in high-quality black leather. Protects against scratches, dirt and water splashes. Also prevents unintentional key activation.

5 Smoker’s package
Comprises a cigarette lighter and ashtray in the front of the centre console or in the optional detachable cupholder.

6 LED torch, rechargeable
This pocket-sized torch can be connected to the 12V socket for charging.

7 & 8 Glasses and CD/DVD holder
Twice as functional, twice as easy. Simply attach to the sunshade and it’s done. CDs or DVDs can be stored on the inside, a pair of glasses on the outside. Two further variants available, with either beige or red detailing.
1 & 3 Floor mats
2 Dirt-repellent and water-resistant.
All-weather floor mats (p. 5), available in Anthracite.
City floor mats (p. 5), available in Anthracite.
Velour floor mats (p. 5), available in Anthracite/Beige.

1 Stainless steel pedals
An elegant detail in the footwell.

4 Rear seat protector
This separator rear protects both the rear seat bench and door linings. Water and dirt-resistant, it features openings for three-point belts which also allow items such as the dog safety harness to be fitted.

5 Storage net in footwell
On the net side of the front passenger footwell. In two sections and supplied with warning jacket.

BMW umbrellas with LED light (not pictured)
Mounted in the footwell for easy access and with a matching holder. Removable LED torch in the handle.

LED interior lighting package (not pictured)
Daylight-white light creates a modern ambience as well as pleasant brightness. The long-life LED modules can be run directly from existing outlets and are suitable for a variety of interior lighting. They also consume very low levels of energy.

6 Coat bag
CFC-free electric cooler which chills its contents to approx. 20 °C below the temperature inside the vehicle.
Capacity: 6 litres.

An elegant detail in the footwell.

8 BMW Baby Seat I-III, with/without ISOFIX
Designed for children weighing between 3 and 36 kg (age up to around 9 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat or, provided the airbag is deactivated, on the front passenger seat. A seat belt can be detached from the shell and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

Clean Bag (not pictured)
This textile bag with a removable plastic liner can be quickly and easily attached to the net on the seat backs. Perfectly fitting bag attaches easily to the rear of the driver’s or the front passenger’s seat. With compartments in various sizes for smaller items. Also available with red or beige detailing.

9 Rear storage bag
A combination of exceptional design and intelligent functionality. Attachable to the back seat with the centre seat belt, it can be packed with items at home and provides useful additional storage, including two exterior cupholders. Made from high-quality material. Two further variants available, with either beige or red detailing.

10 Auxiliary heating
Warms the car’s interior in winter before you start your journey. In the start-up phase, the engine is also protected and fuel consumption is reduced by the preheated cooling circuit. Activated by remote control or directly via the onboard system.

2 BMW junior seat I-II, with/without ISOFIX
Suitable for children weighing 9 to 36 kg (age approx. 9 months to 7 years). The car seat uses a removable cushion and is height-adjustable. The use of the ISOFIX function is permitted for children weighing up to 36 kg. Children weighing more than this should be secured without the cushion, using the seatbelt. Available in various colour schemes.

3 Baby seat I-III, with/without ISOFIX
Designed for children weighing between 9 and 36 kg (age up to around 9 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the shell frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

6 BMW Baby Seat I-III, with/without ISOFIX
Designed for children weighing between 3 and 36 kg (age up to around 9 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the shell frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.
1 BMW rear DVD system includes a monitor with a seven-inch display integrated into the centre console and a DVD drive. The DVD system plays video DVDs and audio CDs in superb quality. It can also display JPEG images and play back music tracks (e.g., MP3 format) and store via standard format data CDs, USB sticks, and USB drives. When the monitor is not in use, it rotates 90 degrees and folds into the armrest to protect it from damage. It also features AV input which can be used, for instance, for video cameras or game consoles.

2 CD changer integrated into the luggage compartment. For up to six CDs (also MP3 CDs).

3 Infrared stereo headphones Specially designed to use with the rear Tablet DVD system (pic. 3). They are exceptionally comfortable, while delivering outstanding sound quality and allowing users to individually control their listening volumes.

4 BMW tablet DVD system Consists of two portable seven-inch monitors, plus two holders attached to the headrest support bars. The DVD system can be plugged in to the vehicle’s 12V power socket. The DVD player integrated into one of the monitors, can play video DVDs plus photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors’ built-in loudspeakers or headphones such as the infrared stereo headphones from BMW.
is in the upcoming LTE mobile communications standard, which minimizes radio interference and ensures optimum signal reception and performance. International roaming can be switched off by the user. A visual display shows the current connection status.

A GSM technology ensuring the best possible connection. in addition, the BMW Car Hotspot enables internet connection at the same time, via either an iPad, laptop and games consoles, can all access a productive or for relaxation. Various devices, including your mobile phone, can be connected to the BMW Car Hotspot, as long as a data connection is established. The BMW Car Hotspot blends seamlessly into the interior of your BMW.

The distance between the car and an obstacle can be measured acoustically and, depending on equipment, also visually. Interactive lane lines are shown, for example, on the Control Display. Clearly shows the area behind the vehicle on the Control Display. A parking spot is determined acoustically and, depending on equipment, also visually. Interactive lane lines are shown, for example, on the Control Display.

1. Rear carrier, lockable
For carrying two bicycles. Even when loaded, this carrier can be lowered out of the way when you want to open the tailgate. It can be attached quickly and easily to the screw points of the tow eyelets and is therefore suitable for vehicles without a tow bar.

2. Bicycle holder for tow bar, lockable
For carrying up to two bicycles (also e-bikes). An extension set for a third bike is also available. The holder and bicycles are secured against theft. The holder can be folded up and stored in the boot (pic 3).

3. Tow bar, lockable
Can be used for trailer weights of up to 2,200 kg, depending on model (with a nose weight of up to 80 kg). With trailer stability control.

4. Driver utility set (not pictured)
For your home or journey. Includes selected tools with the BMW logo, such as bit holder with chromed blade and 14-piece set. Also includes pocket knife, pocket lamp and nylon gloves. In a robust nylon wallet with embossed BMW logo.

Battery charger (not pictured)
The charger is handy and easy to use. Simply plug it into the socket in the luggage compartment and start charging. Two versions are available with a maximum charge current of 3.4 A or 7 A. Charges 12V batteries with a capacity of up to 250 A/h (version 7 A) to ensure maximum battery life. Ideal for vehicles used seasonally or for short journeys.

EXCEPTIONALLY FUNCTIONAL SOLUTIONS.
ORIGINAL BMW TRANSPORTATION & LUGGAGE ACCESSORIES.
Available in three sizes: 303, 305 and 306 litres. Easy to load thanks to an innovative system that spares form both sides (roof boxes 303 and 305). Features triple central locking for maximum security.

Ski rests in roof base (not pictured)
Available for BMW roof boxes 303 and 305.

1 + 2 BMW base support system, lockable
Maximum permissible roof load: 75kg. The support bars are made of high-strength aluminium tubing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements. Available for vehicles with roof rails.

3 Surfboard holder
With floor and support made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

4 Ski and snowboard holder, lockable
Suitable for carrying up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

Raised carrier bars (not pictured)
For the BMW ski and snowboard holder. Increases the distance between the ski bindings and the roof by 20mm.

5 Racing cycle holder, lockable
Suitable for bicycles with quick release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

6 Touring cycle holder, lockable
Rear-mounted holder for transporting a bicycle with a frame diameter of 22 to 60mm. A bike can be quickly attached to the support with a simple mounting system and secured with a twist mechanism at the same height as the base support. Also suitable for mountain bikes.

7 Universal holder
Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning belts.

8 Luggage rack
For the safe transport of bulky items. The luggage rack is fixed to the base support system and has a high load capacity. In sturdy lightweight aluminium, easy to fit.

For detailed information about the entire range of Transportation & Luggage solutions, see the BMW website.
Unlike other similar products, this allows up to four pairs of skis or three snowboards to be transported cleanly. It attaches securely to the front lashing eyes in the luggage compartment, is easy to detach and also has two wheels so the bag can be pulled with ease outside the vehicle. Tested according to high BMW quality and safety standards. Two versions available, with either beige or red detailing.

For securing small items. Attached to the rear seat back.

Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

The non-slip Lines folding box with rubber studs can be folded up when not in use to save space. It is also watertight and features a strap inside for securing bottles, for example. Available in two sizes with a red or beige trim and BMW side lettering. Also in black.

Reversible mat features one velour and one anti-slip plastic surface. When unfolded, the mat covers the folded down rear bench. With protective mat for the loading sill.

Secures a variety of items quickly and safely. Attaches to existing eyelets.

Powder fire extinguisher (not pictured) Ready for use under this seat.

JOY CARES NATURALLY.

NATURAL CARE – THE ECO-FRIENDLY WAY.

Connecting the joy of driving with sustainability is a guiding principle for BMW. Our Natural Care products are a clear response to this aspiration. An environmentally sound and sustainable approach is adopted at every step – from the selection of raw materials and energy-efficient manufacturing through to safe application and recycling of the packaging. The products are predominantly made from nature-inspired materials, such as天地 and alcohol from sugar beet, as well as canna wax and linseed oil. Along with their eco-friendly attributes, the dermatologically tested Natural Care products also offer efficient and powerful action.

Learn more about the range of Natural Care products and other Original BMW Care Products on the BMW website.
