THE BMW X6.
ORIGINAL BMW ACCESSORIES.

JOY ALLOWS ENDLESS POSSIBILITIES.
UNIQUELY DIFFERENT.

The BMW X6 is the first Sports Activity Coupé in the world, combining the elegance of a coupé with the versatility of an SUV and a clear commitment to efficient high power. It’s an exceptional proposition in every way. With Original BMW Accessories, it can also be a truly unique expression of your own individuality.

Whatever your personal needs, BMW Original Accessories for the BMW X6 have the answer. That means even more fascinating design, outstanding functionality and greater exclusivity, whether it is for the interior and exterior, for communication and information or for transportation and luggage. Along with an extensive range of options from the factory, Original BMW Accessories establish new benchmarks and set new standards. Just like the BMW X6 itself.
THE EXPRESSION OF POWER BEYOND COMPARE.

ORIGINAL BMW EXTERIOR ACCESSORIES.

1. 21" light alloy wheels Star-spoke 136, Chrome
   Also available in Midnight Chrome and Silver.
2. Roof rails
   A distinctive touch for the roof area. Available in silver and black.

16. This BMW-specific accessory offers maximum protection against theft. Bolts can only be removed using the special tool supplied.
17. Exterior mirror for trailer towing (not pictured)
   With low vibration levels thanks to special brackets mounted on the door mirror.
BM PERFORMANCE FOR THE BMW X6.

These BMW Performance Accessories perfectly express the uncompromising power and dynamics of your BMW X6. Featuring motor sport-inspired components and innovative technology.

BMW Performance aerodynamics package

The package sets unmistakable standards – and its uncompromising, dynamic lines emphasize the sporty character of your BMW X6. The complete package consists of the BMW Performance front bumper, BMW Performance side sills and the BMW Performance diffuser on the rear bumper. It can be optionally expanded with the BMW Performance side sills and the BMW Performance rear fender. The overall result makes a major impression: a powerfully striking front grille, black BMW Performance sport steering wheel II.

1. BMW Performance aerodynamics package

The package sets unmistakable standards – and its uncompromising, dynamic lines emphasize the sporty character of your BMW X6. The complete package consists of the BMW Performance front bumper, BMW Performance side sills and the BMW Performance diffuser on the rear bumper. It can be optionally expanded with the BMW Performance rear spoiler and BMW Performance rear fenders. The overall result makes a major impression: a powerfully striking front grille, black BMW Performance sport steering wheel II.

2. BMW Performance exhaust system

For a caracterful sound that underline the sporty driving character. The system also stands out visually with its stainless steel, chromed tailpipes giving a distinctive, high-end look. The BMW Performance exhaust system is available for BMW X6 models with six-cylinder engines.

3. BMW Performance sport steering wheel II

Fully covered in Alcantara in optimum grip in even extreme driving situations. The rim is finished with a flat-bottomed rim and white cross-stitch. Only for vehicles without the Lane Departure Warning system.

4. BMW Performance aluminium pedal set

A perfect finish to the BMW Performance aluminium pedals.

5. BMW Performance aluminium footrest

A perfect supporting piece to the BMW Performance aluminium pedals.

6. BMW Performance power kit

The BMW Performance power kit for the BMW X6 SD greatly enhances the outstanding performance of its engine thanks to specially developed electronics that increase torque and power – and uphold the same emissions levels specified in the test cycle. In numbers: power output of the BMW X6 SD is raised from 300 to 330 kW and maximum torque from 660 to 700 Nm, available from 2,500 to 2,750 rpm. This influences both acceleration and stability values. Your BMW X6 SD is 0.2 seconds faster from 0 to 100 km/h and 0.5 second between 60 and 120 km/h (M engine in fifth gear). Also available for the BMW X6 SD. Redefining the limits of your BMW X6 – literally something to look forward to.

7. BMW Performance aerodynamics package

The package sets unmistakable standards – and its uncompromising, dynamic lines emphasize the sporty character of your BMW X6. LARGE-SCALE LUXURY ALL ROUND.

ORIGINAL BMW INTERIOR ACCESSORIES.

1. Ash Grain interior trim: Exclusive, high-quality fine-wood finish for the interior trim, instrument panel, centre console and doors. Also available in Bamboo Grain, dark, Aluminium Flywheel and fine-brushed Aluminium.

2. Ash Grain trim for leather sport steering wheel: Another touch of sporting elegance for the interior. Also available in Bamboo Grain, dark.

3. Ash Grain clasp for gear lever: Accentuates the individuality of the BMW X6. Also available in Bamboo Grain, dark.

4. Accentuates the individuality of the BMW X6. Also available in Bamboo Grain, dark.

5. An extremely well in the hands. Diameter: 160 mm. For cars with gearshift paddles.

6. A multi-option companion. The backrest bag can be filled with small items prior to setting off and easily attached to the rear of the driver’s or front passenger’s seat. It can be folded, is easy to carry and comes in hard-wearing, easy-to-clean material. Also available in beige or red.

7. Clean bag: This textile bag with a removable plastic liner can be quickly and easily attached to the nets on the seat backs.

8. LED interior lighting package (not pictured): Daylight-white light creates a modern ambiance as well as pleasant brightness. The long-life LED modules can be run directly from existing sockets and are suitable for a variety of interior lighting. They also consume very low levels of energy.

9. Exclusive, high-quality fine-wood finish for the interior trim, instrument panel, centre console and doors. Also available in Bamboo Grain, dark, Aluminium Flywheel and fine-brushed Aluminium.

10. Another touch of sporting elegance for the interior. Also available in Bamboo Grain, dark.

11. Accentuates the individuality of the BMW X6. Also available in Bamboo Grain, dark.

12. An extremely well in the hands. Diameter: 160 mm. For cars with gearshift paddles.

13. A multi-option companion. The backrest bag can be filled with small items prior to setting off and easily attached to the rear of the driver’s or front passenger’s seat. It can be folded, is easy to carry and comes in hard-wearing, easy-to-clean material. Also available in beige or red.

14. Clean bag: This textile bag with a removable plastic liner can be quickly and easily attached to the nets on the seat backs.

15. LED interior lighting package (not pictured): Daylight-white light creates a modern ambiance as well as pleasant brightness. The long-life LED modules can be run directly from existing sockets and are suitable for a variety of interior lighting. They also consume very low levels of energy.
Suitable for children weighing 9 to 18 kg (age approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand and the seat offers outstanding lateral protection. The adjustable backrest makes the BMW junior seat II-III perfect for long journeys and the removable cover is machine-washable.

BMW baby seat I-III, with/without ISOFIX
Suitable for children weighing 9 to 18 kg (age approx. 3 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the safety frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.

BMW junior seat II-III
Suitable for children weighing 9 to 18 kg (age approx. 3 to 12 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion using the safety belt. When used in the third row of seats, the BMW junior seat II-III is secured with the three-point belt. Available in various colour schemes.

BMW baby seat I-III, with/without ISOFIX
Designed for children weighing between 3 and 18 kg (age up to around 36 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or, provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the safety frame and used separately as a carrycot. With detachable sun canopy. Various colour schemes.
This modular system is designed around a base attachment for the headrest bars. A coat hanger, folding table, universal hook or Apple iPad holder (see p. 65) can then be fitted. The coat hanger allows clothes to be transported without creasing. It can also be detached from the mounting (see p. 5) and used to carry clothes outside the vehicle. The folding table gives passengers in the rear a convenient surface to put things on and is tilt and height-adjustable. It also includes a foldout cupholder with a stylish chrome ring. The universal hook offers a convenient place to hang light shopping bags, suit hangers and the like. The Travel & Comfort system is finished in a stylish matt black with silver highlights and goes perfectly with the interior of your BMW.

5. Rear seat protector
This separable cover protects both the rear seat bench and door linings. Water and dirt-repellent, it features openings for three-point belts which also allow items such as the dog safety harness to be fitted.

6. LED torch, rechargeable
This pocket-sized torch can be connected to the 12V socket for charging.

7. CFC-free electric cooler
This CFC-free electric cooler which chills its contents to approx. 20°C below the temperature inside the vehicle. Capacity: 14 litres.

8 + 9. Glasses and CD/DVD holder
These are functional, neat and easy. Simply attach to the sunshade and if there’s a CD or DVD, it can be stored on the inside, a pair of glasses on the outside.

Smoker’s package (not pictured)
Includes a cigarette lighter and an ashtray in the front centre console cupholder.

Includes a cigar lighter and an ashtray in the front centre console cupholder.
1. Apple iPad holder

In combination with the BMW Car Hotspot, this accessory allows passengers in the rear to make full use of all the functions of the iPad. Using the holder, any iPad can be securely mounted on the base attachment of the Travel & Comfort system (see p. 12), and released at the touch of a button. The position of the device can be adjusted to maximum comfort and ease of use whether you are reading, watching videos or sending emails. Thanks to an integrated holder, the holder can also be used outside the vehicle.

2–3. BMW Car Hotspot

Need to check your bank balance on the move, or look something up on Wikipedia? The BMW Car Hotspot allows you to use the time you spend in your car productively or for relaxation. Various devices, including an iPad, laptop and games console, can access a wireless internet connection at the same time, via either a SIM card inserted in the BMW Car Hotspot or a mobile phone with a SIM access profile.

The BMW Car Hotspot is fitted into the centre armrest, using a snap-in adapter, with a combination of UMTS (HSDPA) and GSM technology ensuring the best possible connection. A visual display shows the current connection status. International roaming can be switched off by the user. A roof aerial ensures optimum signal reception and minimizes radiation in the interior. A BMW Car Hotspot for the upcoming LTE mobile communications standard is in development.

4. Snap-in media adapter

Secure and stable docking system for Apple iPhone/iPod + 30-pin and 45-pin specific mounting for every car model. Optimum network reception is ensured by the vehicle’s external aerial. An integrated SIM/audio interface enables convenient connection of music and video files in the mobile phone without the need for an additional cable. With Cover Art, the album cover related to the music track (audio file) being played is shown in the vehicle display. This allows you to easily identify the artist or album as you listen. The system is also suitable for using Apple applications. Additionally, a separately available snap-in music adapter allows music files in a mobile to be played through the car’s audio system without an adapter cable.
monitors’ built-in loudspeakers or headphones such as the infrared stereo headphones from BMW.

The DVD system can be plugged in to the vehicle’s 12V power socket. The DVD player, integrated into one of the monitors, can play video DVDs plus photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the

1 BMW tablet DVD system

Contains two portable seven-inch monitors, plus two holders attached to the headrest support bars. The DVD system can be plugged in to the vehicle’s 12V power socket. The DVD player, integrated into one of the monitors, can play video DVDs plus photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors’ built-in loudspeakers or headphones such as the infrared stereo headphones from BMW.

1 Infrared stereo headphones

Specially designed for use with the tablet DVD system. They are exceptionally comfortable, deliver outstanding sound quality and allow individual volume control. Two versions available.

2 3 Digital roadmaps

Up to 35 per cent of the road network changes every year – but with the latest digital street maps, you are always kept in the picture. With an update, the navigation system will allow you the most efficient route to your goal, saving time and protecting the environment. What’s more, each update includes many new points of interest across 23 categories, including right–way and charging centres, over one million advertisements and, depending on country version, integrated congestion warnings from the RDS/TMC (Traffic Message Channel) functions so you can gain more time by simply avoiding other hold-ups.

The digital maps are available according to model as an annual update, including certificate, on DVD or USB stick.

4 Audio adapter for Apple iPod/iPhone

Adapter for connecting your Apple iPod or iPhone to the vehicle’s audio system. Two versions available.

5 USB charging adapter

Allows mobile devices with a USB port to be charged using car’s cigarette lighter.
For transporting two bicycles. The rear carrier is attached quickly and easily to the mounting points for towing and conveniently slides back to allow the tailgate to be opened. It also folds up for storage in the luggage compartment and features anti-theft screws and locks.

2. Touring cycle holder, lockable

Robust attachment for transporting a bicycle with a frame diameter of 22 to 25 mm, also suitable for mountain bikes. A user-friendly fixing system, with a twist mechanism at the same height as the base support system, makes it quick and easy to secure bikes in place.

3. BMW base support system, lockable

Maximum permissible roof load: 75 kg. The support bars are made of high-strength aluminium tubing. The BMW base support system is equipped with an anti-theft feature and complies with the most stringent safety requirements. Available for vehicles with roof rails.

4. Racing cycle holder, lockable

Suitable for bicycles with quick-release levers on the front wheel. A holder for securing the front wheel to the base support system is also available.

5 + 6. Bicycle holder for tow bar, lockable

For towing up to two bicycles in a row. An extension set for a third bike is also available. The holder and bicycles are secured against theft. The holder can be folded up and stored in the boot (pic 6).
1 + 2 BMW roof boxes
Available in three sizes: 400 l, 250 l, and 325 l. Easy to fasten thanks to an innovative system that opens from both sides. Equipped with a central locking for maximum security.

2 Luggage rack
For the safe transport of bulky items. The luggage rack is fixed to the base support system and has a high load capacity. In sturdy lightweight aluminium, sun-proof and easy to fit.

4 Surfboard holder
With board supports made of impact-resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

5 Raised carrier bars
For the BMW ski and snowboard holder. The extension provides 400 mm of extra room for individual bindings. For even easier securing of skis/snowboards with higher bindings.

6 Ski and snowboard holder, lockable
Suitable for anything up to two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

8 12-volt battery charger
Simply slot into the rails and slide to required position. For fastening lightweight items.

9 Luggage compartment net
Secures a variety of items quickly and safely. Attaches to existing eyelets.

10 Luggage compartment tie-down straps
Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

11 Adaptive securing system
Consists of an aluminium bar and two straps for holding lighter items of luggage in place. Mounted on the lashing rails, its position is adjustable forwards and backwards.

7 Luggage compartment tray
Shields your cargo from impact and road hazards. The tray is also a seamless fit with the luggage compartment.

Driver utility set (not pictured)
For your home or journey. Includes selected tools with the BMW logo, such as bit-holder with chromed blade and 10-piece bit set. Also includes: password-protected laptop and phone bag, and nylon gloves. In a robust nylon wallet with embroidered BMW logo.

Battery charger (not pictured)
The charger is handy and easy to use. Simply plug it into your cigarette lighter and start charging. Two versions are available with a maximum charge current of 5 A or 10 A. Charges 12 V batteries with a capacity of up to 225 Ah (version 10 A) and ensures maximum battery life. Ideal for vehicles used seasonally or for short journeys.

6 Luggage compartment mat, reversible
Reversible features one velour and one slip-resistant plastic surface. When unfolded, the mat covers the folded down rear bench. Protects the loading sill.

12 Luggage compartment straps
Simply slot into the rails and slide to required position. For heavier and larger items.
CONNECTING THE JOY OF DRIVING WITH SUSTAINABILITY IS A GUIDING PRINCIPLE FOR BMW. OUR NATURAL CARE PRODUCTS ARE A CLEAR RESPONSE TO THIS ASPIRATION. AN ENVIRONMENTALLY SOUND AND SUSTAINABLE APPROACH IS ADOPTED AT EVERY STAGE – FROM THE SELECTION OFraw MATERIALS AND ENERGY-EFFICIENT MANUFACTURING THROUGH TO SAFE APPLICATION AND RECYCLING OF THE PACKAGING. THE PRODUCTS ARE PRIMARILY MADE FROM NATURAL RAW MATERIALS, SUCH AS CANAUBA WAX AND LINSEED OIL. ALONG WITH THEIR ECO-FRIENDLY ATTRIBUTES, THE DERMATOLOGICALLY TESTED NATURAL CARE PRODUCTS ALSO OFFER EFFICIENT AND POWERFUL ACTION.

LEARN MORE ABOUT THE RANGE OF NATURAL CARE PRODUCTS AND OTHER ORIGINAL BMW CARE PRODUCTS ON THE BMW WEBSITE.
