THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.

For BMW, the 2013 DTM season marked the continuation of the sensational success of the 2012 comeback year. In the Constructors’ Championship, BMW left the competition behind – further proof of a passion for racing that burns as bright as ever. It’s a fascination that you too can share with BMW M Performance Parts. With authentic racing genes in your BMW, you will experience incomparable, breathtaking dynamics.

All BMW M Performance Parts are the result of many years of BMW racing expertise and have been developed with BMW M GmbH. Each component goes through an intense development and manufacturing process, so uncompromising sportiness is consistently realised every time – right down to the smallest detail. BMW M Performance Parts give your BMW individual racing character and, at the same time, even more compelling dynamics. They are the clear choice for the highest quality and sporty innovation, whether it’s for aerodynamics, the chassis, the drivetrain or the cockpit. Give your BMW an exhilarating racing feel.

THE CONSISTENT CHOICE FOR BREATHTAKING DYNAMICS.
EMPHASISE A UNIQUELY SPORTING CHARACTER.

BMW M PERFORMANCE PARTS FOR THE BMW 1 SERIES.

1 + 5 BMW M Performance Aerodynamics package

For even better aerodynamic values, perfectly adapted to the BMW 1 Series. Includes air inlets, splitter and front bumper components, rear diffuser and blades for the side skirts. As a result, the BMW M Performance Parts statement is also made by the accompanying trim for the side skirts with M Performance lettering. The BMW M Aerodynamics package is required for all features.

1 BMW M Performance front grille, black

1 BMW M Performance wing mirror cap, carbon

1 BMW M Performance top stripes

Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

1 - 5 BMW M Performance light alloy wheels Double-spoke 405 M

The 19" light alloy wheels Double-spoke 405 M are Bicolour 21st Grey, silver, burnished on the visible sides, and feature the four-colour M logos.

4 BMW M Performance rear brake system - 4-piston M Performance Red, Yellow or Orange and with the four-colour M logos.

Over the bonnet, roof and rear, ensuring extremely sporty lines. Available in black and in white.

The BMW M Performance side stripes do more than just accentuate the contours of the BMW 1 Series. They also give the vehicle an even more dynamic and expressive appearance.

The 19" light alloy wheels Double-spoke 405 M are Bicolour 21st Grey, silver, burnished on the visible sides, and feature the four-colour M logos.

5 BMW M Performance aerodynamics package

For even better aerodynamic values, perfectly adapted to the BMW 1 Series. Includes air inlets, splitter and front bumper components, rear diffuser and blades for the side skirts. As a result, the BMW M Performance Parts statement is also made by the accompanying trim for the side skirts with M Performance lettering. The BMW M Aerodynamics package is required for all features.

5 BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel and featuring tyre-grip finishes in chrome. Available for 125i and M135i.

5 BMW M Performance exhaust pipe finishers, chrome

Chrome trim for an appropriately sporty finish. With M logos. For 116i, 118i and 120d.

5 BMW M Performance side stripes

For an impressively sporty sound – inside and out. In weather-resistant stainless steel and featuring tyre-grip finishes in chrome. Available for 125i and M135i.

5 BMW M Performance Black Line rear lights

Brilliant aesthetics through a combination of dark red and black. The M Performance Black Line rear lights give the rear profile even more expressive character and an unmissable appearance. An absolutely precise fit and perfectly matched to both the design and the electrical system. On vehicles with halogen headlights, the rear lights are replaced with LEDs.

5 BMW M Performance front grille, black

The Power Kit for the 320d raises output, torque (kW/Nm) and sprinting power without any increase in fuel consumption in the standard cycle. Features include a larger intercooler and another control unit. The Power Kits are developed in accordance with the high standards of the BMW Group, including, in particular, long-term quality and safety tests. Also available for the 335i. The BMW M Performance Power Kit also includes M Performance lettering on the side sills (pic 2).

1 2· BMW M Performance Power Kit
The Power Kit for the 320d raises output, torque (kW/Nm) and sprinting power without any increase in fuel consumption in the standard cycle. Features include a larger intercooler and another control unit. The Power Kits are developed in accordance with the high standards of the BMW Group, including, in particular, long-term quality and safety tests. Also available for the 335i. The BMW M Performance Power Kit also includes M Performance lettering on the side sills (pic 2).

3 BMW M Performance-differential lock
The mechanical differential lock on the rear axle transmits more torque to the wheel with better grip, thus minimizing slip at the rear. The result is more stable cornering, optimal traction and more dynamic driving characteristics.

BMW M Performance chassis (not illustrated)
Discover unique driving experience in your BMW 7 Series. The shock absorbers, wishbones and stabilisers have all been extensively tested and then adapted to strict motorsport criteria. The result: agility that will never fail to amaze.

4 BMW M Performance Alcantara steering wheel with carbon fibre and race display
A motor sport feel thanks to integrated race computer and dynamic BMW M Performance design. Displays include the latest OLED technology, green shift indicator and Offroad Dynamics. Sport and race modes. The steering wheel featuring open-pore carbon and Alcantara offers excellent grip in even extreme driving situations and is featured in all buttons.

5 BMW M Performance carbon gear lever with Alcantara gaiter
Open-pore carbon fibre is again combined with Alcantara. The result is a Veteran's more direct gear change feel. With BMW M Performance branding in the gearshift graphic.

6 BMW M Performance carbon interior trim with Alcantara
Exclusive carbon trim for authentic motorsport flavour. Featuring open-pore carbon and a satin finish – high tech you can see and feel.

7 BMW M Performance Alcantara steering wheel with carbon fibre and race display
Design highlights that can be seen and felt. Open-pore carbon fibre combined with Alcantara and embroidered with M Performance branding.

6 BMW M Performance carbon interior trim with Alcantara
Exclusive carbon trim for authentic motorsport flavour. Featuring open-pore carbon and a satin finish – high tech you can see and feel.

8 BMW M Performance stainless steel footrest/ pedal covers
Stainless steel pedal covers. The optional M Performance footrest features precise workmanship and a purist, technical look.

9 BMW M Performance floor mats
With M Performance lettering. The dynamic design integrates perfectly with the pedal covers. Dirt and water-resistant.

BMW M PERFORMANCE PARTS FOR THE BMW 2 SERIES.

1 + 5 BMW M Performance Aerodynamics package
For even better aerodynamics, perfectly adapted to the BMW 2 Series, including front bumper components including splitter, rear spoiler and diffuser as well as flaps for the side sills. A strong BMW M Performance Parts statement is also made by the accompanying trim for the side sills with M Performance rear fender. The BMW M Aerodynamics package is required for this feature.

1 BMW M Performance carbon rear spoiler
The rear spoiler not only ensures optimal aerodynamic values, it harmonises and complements the vehicle’s extremely exclusive material. Only available in conjunction with the BMW M Performance carbon front fender.

1 BMW M Performance accent stripes
The accent stripes in black/silver emphasize the car’s powerful contours even further. They also lend it a more athletic and expressive appearance.

10" BMW M Performance light alloy wheels Double-spoke 622 M
The 10" light alloy wheels Double-spoke 622 M are Bi-colour Bicolour Jet Black/Polar Grey, forged, milled and polished and feature the four-colour M logo.

1 BMW M Performance exhaust system
For an impressively sporty sound – inside and out! In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

10" BMW M Performance light alloy wheels Double-spoke 624 M
The 10" light alloy wheels Double-spoke 624 M are forged, milled and polished and feature the four-colour M logo.

2 BMW M Performance front grille, black
The black kidney grille emphasises the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

4 BMW M Performance wing mirror caps, carbon
The wing mirror caps in carbon are painstakingly crafted by hand. The ultra-light carbon material is extremely light yet solidly crafted and emphasises the vehicle’s individuality.

6 BMW M Performance carbon gear lever with Alcantara
For an impressively sporty sound – inside and out! In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.

The mechanical differential lock on the rear axle improves traction by transmitting more torque to the wheel with better grip, thus minimizing slip. The result is more stable cornering, optimal traction and more dynamic driving characteristics.

BMW M Performance chassis

With the M Performance chassis, your BMW 3 Series experience becomes even more unique. The shock absorbers, wishbones and stabilisers have been extensively tested and coordinated using strict motorsport criteria. The result is even more dynamic driving that will amaze on every straight and every corner.

BMW M Performance differential lock

BMW M Performance Alcantara and carbon trim for the centre console gear lever:

A sporty aesthetic, combining open-pore carbon and Alcantara. Stainless steel pedal covers and the stainless steel footrest are extremely carefully crafted for a perfect fit. The high-quality, glossy metal adds a puristic, high-tech appearance, accentuates sportiness and enhances the look of the footwell. Asymmetrical and three-dimensional rubber profiles on the pedals and footrest ensure excellent hold.

BMW M Performance Alcantara and carbon trim for the centre console gear lever:

BMW M Performance Alcantara and carbon trim for the centre console gear lever:

The Alcantara and carbon fibre combines excellent grip and performance. This gear lever has an open-pore, tactile structure and a high-quality Alcantara embossed with the sporty look and feel.
POWERS AND AESTHETICS TAKE CENTRE STAGE.
BMW M PERFORMANCE PARTS FOR THE BMW 4 SERIES.

1. BMW M Performance Aerodynamics package

For even better aerodynamic values and perfectly adapted to the BMW 4 Series. Front bumper components include a splitter rear spoiler and diffuser. A strong BMW M Performance Parts statement is also made by the trim for the side sills with M Performance lettering. The BMW M Aerodynamics package is required for this feature.

2. BMW M Performance exhaust system

For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finchers, depending on vehicle equipment, are also required.

3. BMW M Performance carbon rear spoiler

The carbon rear spoiler ensures optimal aerodynamics values. As a hand-made and composed of 100% carbon fibre, an extremely exclusive material. Only available in conjunction with the BMW M Performance carbon front splitter.

4. 20" BMW M Performance light alloy wheels Double-spoke 656 M

The 20" light alloy wheels Double-spoke 656 M are in Bicolour Matt Black, forged and milled and feature the four-colour M logo.

5. 20" BMW M Performance light alloy wheels Double-spoke 606 M

The 20" light alloy wheels Double-spoke 606 M are in Bicolour Orbit Grey, forged, burnished on the visible sides and feature the four-colour M logo.

6. BMW M Performance 18" brake system

The 18" brake system ensures fast deceleration even under high thermal stress thanks to ventilated lightweight brake discs. It features four-piston aluminium fixed-caliper brakes in front and two-piston aluminium fixed-caliper brakes in the rear, comes in M Performance Red, Yellow and Orange and features the four-colour M logos.

7. BMW M Performance accent stripes

With the stripes in black/red (pic 1) or black/silver (pic 5), the car’s powerful contours are emphasised even further. They also lend a more sporty and expressive appearance.

8. BMW M Performance front grille, black

The front grille emphasises the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

9. BMW M Performance wing mirror caps, carbon

The wing mirror caps in carbon are painstakingly crafted by hand. The lightweight tech material is extremely light yet also sturdy and emphasises the vehicle’s individuality and exclusivity.

10. BMW M Performance Parts for the BMW 4 Series
**BMW M Performance Parts for the BMW 4 Series**

1. **BMW M Performance exhaust pipe finishers, chrome**
The chrome finisher trims with engraved M logos has a cold and powerful appearance. The inner cone and thermally decoupled tailpipe are indications of premium quality. Only available in conjunction with the BMW M Performance sport silencer.

2. **BMW M Performance exhaust pipe finishers, carbon**
The carbon finisher emphasises the vehicle’s individuality. The thermally decoupled tailpipe is of the highest quality and the engraved M logos further underscore the car’s sporty character. Only available in conjunction with the BMW M Performance exhaust system.

3. **BMW M Performance Power Kit**
The Power Kit for the 425i, using new engine data, increases output, torque (225kW/326Nm with the automatic transmission; 300Nm with the manual) and sprinting power without any increase in fuel consumption in the standard cycle. The Power Kits are developed in accordance with the high standards of the BMW Group, including in particular, long-term quality and safety tests. Also available for the 420d and 430d.

The Alcantara steering wheel II with carbon trim and race display has an integrated function display in the upper part of the rim. The latest OLED technology and twin-colour LED display enhance the Race, Sport and EfficientDynamics modes to be operated using buttons integrated into its thumbrest area. The carbon interior trim with Alcantara adds an attractive design accent. A sophisticated combination of Alcantara and open-pored carbon. The four-colour M logo and the BMW M Performance lettering emphasise sportiness.

5. **BMW M Performance carbon interior trim with Alcantara**

6. **BMW M Performance Alcantara and carbon centre console gear lever**

7. **BMW M Performance stainless steel footrest/pedal covers**

8. **BMW M Performance carbon handbrake grip with Alcantara gaiter**

The stainless steel pedal covers and the stainless steel footrest are extremely carefully crafted for a perfect fit. The high-quality, glossy metal adds a puristic, high-tech appearance, accents sportiness and enhances the look of the footwell. Asymmetrical and three-dimensional rubber profiles on the pedals and footrest ensure excellent hold.

The BMW Alpina B4 (2013) with BMW M Performance Power Kit.

The BMW M Performance Parts for the BMW 4 Series.
FLAWLESS DYNAMICS – PURE EXPRESSION.
BMW M PERFORMANCE PARTS FOR THE BMW 5 SERIES.

1 BMW Performance front grille, black Frame and vertical slats in black. Underlines the elegant and dynamic character of the BMW 5 Series.
2 BMW Performance wing mirror caps, carbon Carefully hand-crafted. Sporty design adapted to the BMW 5 Series and with high quality, high-tech feel.
3 BMW Performance light alloy wheels Vангelo M4-M Available in Bicolour Ferric Grey, burnished on the visible sides and in Liquid Black.
4 BMW Performance carbon rear spoiler Black trim application with M Performance lettering, optimally matched to the car’s design.
5 BMW Performance carbon rear spoiler Sporty and elegant high-tech look. Carefully hand-crafted in 100% carbon, weight-optimised and providing high stability.
6 BMW Performance rear diffuser Sporty dynamics that blend seamlessly with the design and specifically developed for the BMW 5 Series.
7 BMW Performance exhaust system For an impressively sporty sound – inside and out. In weather-resistant stainless steel. Exhaust pipe finishers, depending on vehicle equipment, are also required.
8 BMW Performance exhaust pipe finishers Chrome Optically matched for an appropriately sporty look with M Logo. For St3 and St4.

1-4 BMW M Performance front splitter, carbon Sporty high quality and perfectly adapted to the whole design. Carefully hand-crafted from 100 % carbon. Only in conjunction with the carbon rear spoiler.
1-5 BMW M Performance side skirts
Black trim application with M Performance lettering, optimally matched to the car’s design.
1-6 BMW M Performance rear diffuser Black trim application with M Performance lettering, optimally matched to the car’s design.
1-7 BMW Performance exhaust pipe finishers Chrome Optically matched for an appropriately sporty look with M Logo. For St3 and St4.

Performance data for the BMW 330i with BMW M Performance Power Kit

UNITED: BEAUTY AND STRIKING SPORTINESS.
BMW M PERFORMANCE PARTS FOR THE BMW 6 SERIES.

1 BMW M Performance front grille, black Frame in black. Underlines the elegant and dynamic character of the BMW 6 Series.

1 BMW M Performance wing mirror caps, carbon Sporty, high-quality look with high-tech character. Carefully hand-crafted.

1 + 2 20\" BMW M Performance light alloy wheels V-spoke 664 M Available in Bicolour Ferric Grey, burnished on the visible sides and in Painted Black.

3 BMW M Performance exhaust system For an impressively sporty sound – inside and out. Exceptionally high-quality exhaust system in stainless steel, with chromaticipes left and right for the 650i (p. 3). Featuring black chrome, oval-shaped exhaust pipe finishers for the 640i without the M Aerodynamics package.

4 BMW M Performance exhaust pipe finishers, chrome Finish in either an appropriately sporty finish. For 640i and 650i.

5 BMW M Performance Alcantara steering wheel with carbon trim The Alcantara steering wheel with carbon trim and a 370mm diameter features hand-stitched leather, cross-stitching and emphasizes sportiness with a red centring strip in leather. The steering wheel trim with the M Logo is finished in lacquered, highly polished carbon fibre. For vehicles with the M Sport package or the M Sport steering wheel.
FOR A COMMANDING, SELF-ASSURED PRESENCE.
BMW M PERFORMANCE PARTS FOR THE BMW X5.

1. BMW M Performance front grille, black
   The front grille emphasizes the sporty and dynamic character of the vehicle. Also featuring a high-gloss black frame.

2. BMW M Performance wing mirror caps, carbon
   The wing mirror caps in carbon are seamlessly crafted by hand. The slightly raised insert is extremely light and also stylishly emphasizes the car’s individuality and exclusivity.

3. BMW M Performance front splitter, carbon
   The carbon front splitter emphasizes the car's sporty design. Painted in 100% carbon. Only available in conjunction with the BMW M Sport package or the BMW M Aerodynamics package, as well as the BMW M Performance roof spoiler.

4. BMW M Performance light alloy wheels Double-spoke 575 M
   The 21” light alloy wheels Double-spoke 575 M are in matt Bicolour Orbit Grey, burnished on the visible sides and feature the four-colour M logo.

5. BMW M Performance rear flaps, carbon
   The rear flaps enhance the impression of the car’s width and its masculine appearance. Their visible side is made of exclusive carbon fibre. The underside is painted high-gloss Black. Only available in conjunction with the M Sport package or the M Performance Aerodynamics package.

6. BMW M Performance exhaust system
   The silencer system provides an impressive and sporty sound. Depending on the vehicle’s equipment, exhaust pipe finishers may be necessary.

7. BMW M Performance exhaust pipe finishers, chrome-look polished
   The eight-cylinder look chrome exhaust pipe finishers are constructed in chrome-plated stainless steel. Highly weather-resistant; they also give the vehicle an even stronger road presence.
